

Project: 10 Evalma

Supplier: Bretts Timber & Hardware

Approx M2 rate: \$300

Brief:

- Remove rotten Pine decking and Balustrade
- Replace Rotten Joists
- Install Merbau decking & balustrade to meet Australian Standards
- Remove Posts protruding through deck

Site:

- Deck is 5m off the ground at its highest point
- Property was on a steep incline which meant extra difficulty for material delivery and waste removal

Design, Material, Finishes & Features:

- 90 x 19mm Merbau Decking
- 140mm Merbau Top rail and 70mm slats for balustrade
- Hardwood Joists
- 90 x 90mm Merbau Posts
