

Project: 65 Duffield

Supplier: Bretts Timber & Hardware

Approx M2 rate: \$370

Brief:

- Install Low lying deck to 2 seperate levels
- Installed at a height to suit future kitchen renovation inc servery window
- Ensure its suitable for the elderly

Site:

- Great access as it leads to the driveway
- Original concrete under the deck was very uneven
- Existing house/posts are not square which meant extra care during set-out to hide any discrepancies.

Design, Materials, Finishes & Features:

- 90mm Merbau Decking Boards
- Natural oil finish
